Lex & Lore Podcast

We all know LEX is Latin for law, and LORE represents what's interesting about the law – the gossip, the intrigue, the debates! In this podcast, you'll explore the development of the "new legal system" in New Zealand with Geoff McLay, Barrister, Professor of Law at Victoria University of Wellington and Editor of the New Zealand Law Reports, as he dissects cases and judgements with esteemed colleagues and legal experts.

Editor's Notes Blog

New Zealand Law Reports Editor Geoff McLay's *Editor's Notes* is a blog that provides readers with regular commentary on the cases we publish in the Reports. It is designed to not only let you know what is significant in terms of the doctrine in cases reported, but to also provide a flavour of how New Zealand judges are deciding important cases and reveal possible links between what seem like disparate decisions. Cases mentioned therein are linked to the reports on Lexis Advance.
