

# LexisNexis® Innovation Panel

Advancing what's possible.

## What is LNIP?

The LexisNexis® Innovation Panel (LNIP) is a collaborative forum between LexisNexis and legal professionals, centring on innovation to improve the way New Zealand lawyers work. It's an opportunity for both provider and user to discuss real-life centring and embed the customer journey into current and future technology developments to deliver products that behave and evolve the way the industry does.

## What am I signing up for?

Signing up to LNIP means you'll receive invitations to group innovation workshops and one-on-one sessions relevant to you:

- Sit on a panel of peers to discuss enhancements and functionality you want to see
- Participate in user-led research that fits into your schedule
- Plan one-on-one sessions to deep-dive the innovations that matter most to the industry
- Attend quarterly online events to have your say with like-minded people

Your participation will help LexisNexis technology evolve with the industry.

FIND OUT MORE HERE →

### Who we're looking for:

Associates, Partners, Barristers, Solicitors, Legal Researchers, Estate Administrators, Practice Managers, Librarians, Legal Executives, Law Students and Graduates and YOU!

### What's in it for you?

- ✓ Receive advance notice of product and content enhancements specifically for NZ customers
- ✓ Embed your voice in our product developments so we deliver what you need
- ✓ Shape digital legal initiatives for NZ

*Working hand-in-hand with customers like you will give us the power to create functionality that works the way you do.*

**Format:**

Ad hoc surveys and proof of concept queries to your desktop.

**Group or Individual Participation:**

Individual

**Frequency:**

Once or twice a year  
-Commit to what works for you

## Choose the Programme Right for You

### Group Innovation Workshops

Online innovation events, hosted by LexisNexis, provides the opportunity to network with like-minded peers and participate in interactive workshops, while learning about new developments coming your way. The aim of these discovery initiatives is to ensure the voice of NZ users is embedded into our (global) products and local users have an opportunity to shape and drive improvements that work for them.

### One-on-One Discovery Sessions

One-on-One Discovery Sessions are field studies and stakeholder interviews. Held face-to-face or online and aimed at ensuring that what we create or develop for our customers reflects how our customers work and what they need.

### Surveys & Feedback

Once or twice a year, we'll ask for comment and input on product and content design. These will be sent via email with clearly defined terms for minimal disruption to your day.

### How do I register my interest?

Visit <https://bit.ly/3gg26l2> to complete a short survey about activities that suit you best. From there, a LexisNexis representative will contact you on the programmes we'll be offering and how you can participate.
